April 20, 2011

The Honorable Matthew Denn
Lieutenant Governor
Tatnall Building, 3rd Floor
Dover, DE 19901

Dear Mr. Denn:

Your Chief of Staff, Emily Cunningham, requested we share with you any specific spending or reporting requirements relating to NCES statistics which are not shared by other districts. We appreciate the opportunity to provide information on ways the Christina School District supports State-wide and county-wide initiatives.

The Christina School District:

- Is the District of record providing support to the Delaware Autism Program. Cost for the support of this program includes transportation of students State-wide and administrative oversight;
- Is the District of record providing support for the Delaware School for the Deaf. Cost for the support of this program includes transportation of students State-wide and administrative oversight;
- Is the District of record supporting the State sponsored PEEC (Parent Early Education Center), providing support to parents throughout New Castle County.

In addition, the Christina School District was fortunate to receive support from the State during our financial crisis in fiscal 2006. The District has been on a repayment plan for the past 5 years, with the payment in fiscal 2010 of \$2,665,097.

We hope this information is helpful in understanding some of the unique operating expenses associated with the operations of our District.

Sincerely,

Marcia V. Lyles, Ed.D.
Superintendent
